GameOn Road to a Sale

Gamify Your Training

What if there was a way to teach your employees how to close a deal by following a systematic sales process to build value in the customers mind?

With GameON there is! GameON is the ultimate training gamification tool: a new tech training platform loaded onto your staff members' phones that uses games to help your employees increase knowledge and retain information.

Road To A Sale! is a gamified training designed to improve your employee's ability to close more deals by learning how to improve the customer experience and build value. Customers expect personalised service deserving of their spend – and as such, the sales process should meet and exceed their expectations. A high value purchase decision will only convert when the customer has a high value experience.

Road To A Sale! is a game developed by GameON that will help your staff reach the next level. Sales staff will learn how to:

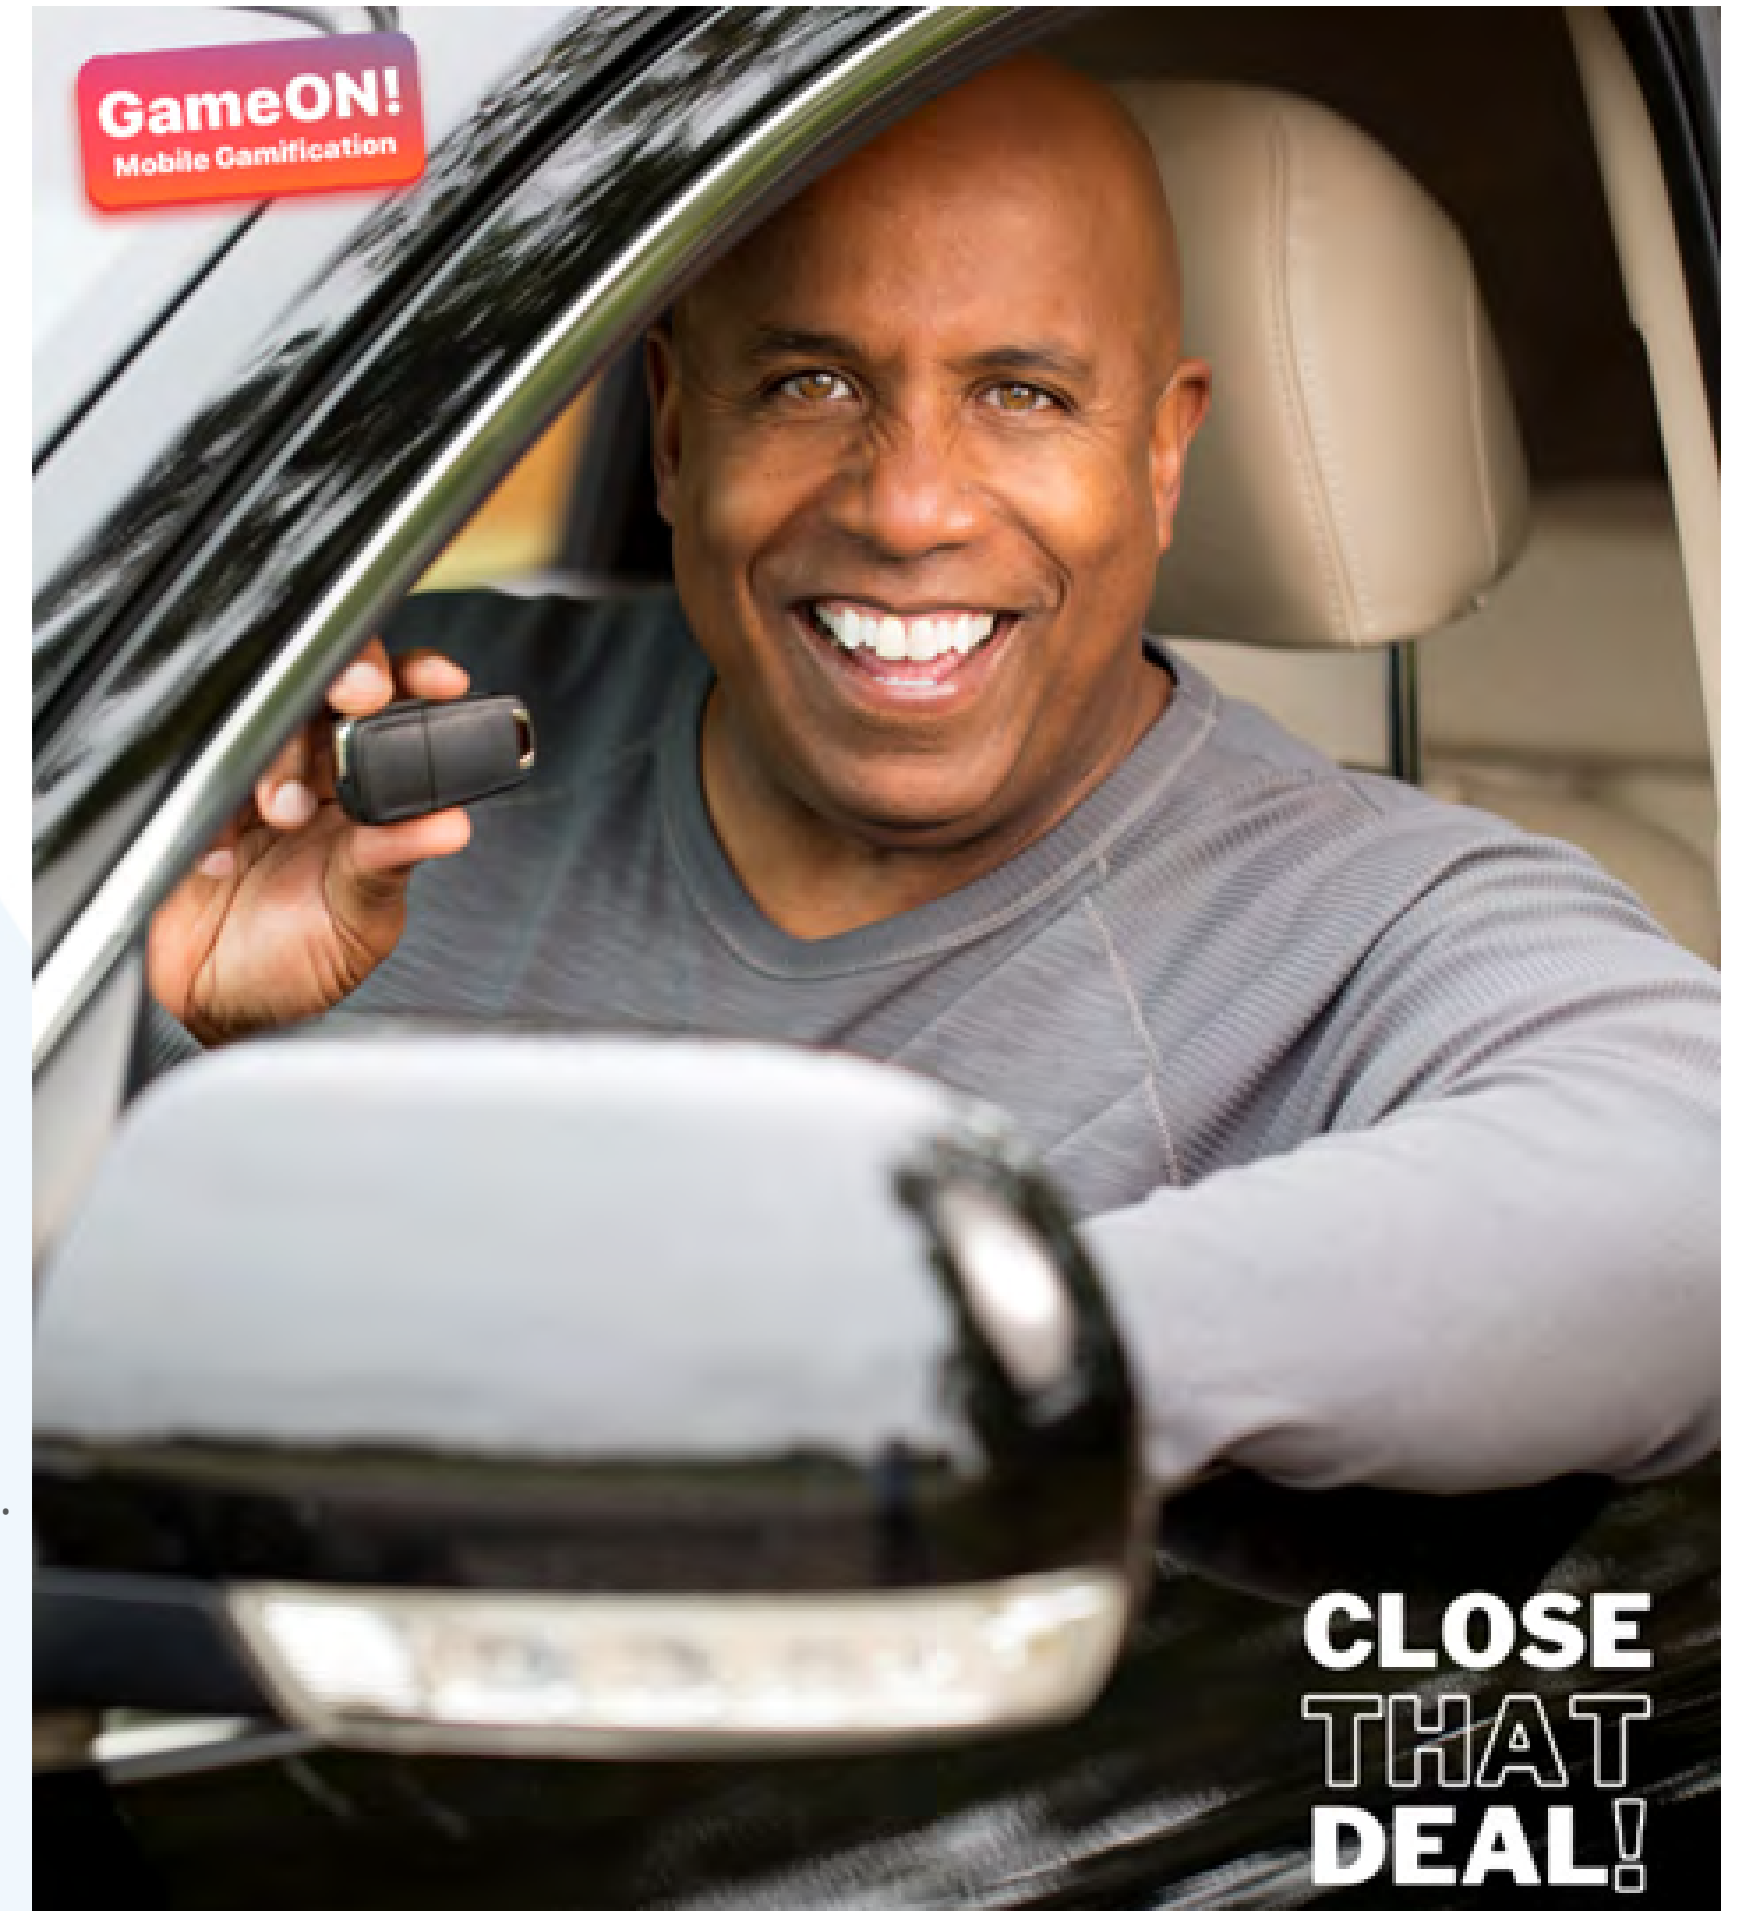

- Propect and Source Leads
- Meet and Greet
- Qualify the Customer
- Select and Present
- Platform Test Drives and Demo's
- Complete Valuations
- Intiate The Final Close and OTP Sign
- Complete the Delivery and Follow up
- Delivery and Follow up

Gamified training with GameON will result in better trained employees, increase their knowledge retention and keep them highly motivated – all of which contributes to a higher sales volumes and company performance.

Get in touch with us today to give your staff access to **Road To A Sale!** and let them improve their sales today.

Turn your training into games and watch your staff become confident and more productive with every minute of play!
